

THE AOPQ & AQIPA'S 2021 CONVENTION

COVID-19 MEASURES

Updated : March 15, 2021

Health and safety of all partners, exhibitors and employees remain our highest concern. This document will explain all sanitary measures deployed during the event.

Rest assured that the Lévis Centre des congrès, the Four Points by Sheraton Lévis hotel as well as the organizing committee will be in constant discussion and will follow the adjustments in health standards, until the end of the convention.

Entrance

- Registry of all attendees.
- State of health validation.
- Measured temperature.
- Health check booth supervised by healthcare professional.

Signage

- Signage in all event rooms.
- Proper traffic control in Exhibition hall making it safe to visit exhibitors.
- Outside signage of all building entrances, including loading docks and parking entrances, indicating that people with a fever or symptoms of COVID-19, or anyone who has been invited to isolate by public health authorities can not enter the premises.

Maintenance and hygiene

- Hand sanitizer available at all entry and exit points.
- Plexi shield available for all exhibition booth.
- Plexi shield installed at event inscription station.
- One (1) sanitary kit per exhibition booth to insure regular cleaning (every 4 hours minimum).
- General announcement to proceed with cleaning of all stations/booths.
- All conference rooms, equipment and audiovisual material will be disinfected between each presentation.
- All general areas of the Lévis Centre des congrès and those of the Four Points by Shertaton Lévis Hotel will be disinfected according to sanitary measures in place.
- All documents, gifts and/or samples will be handled by a dedicated person. Hands will be sanitized between handlings.

Floor plan

- All floor plans will respect social distancing measures.

Protective gear

- Disposable masks, gloves and disinfectant gel will always be available to all participants.
- Proper gear rotation measures will be mandatory, as per sanitary regulations.

Meals and snacks

- All meals and snacks will be distributed respecting the highest sanitary measure.

Protocol

- Sanitary protocol will be adjusted, if needed and given to all exhibitors, participants and employees.
- A consent form will need to be signed by all suppliers, exhibitors, participants and employees to comply with health standards.
