

**THE AOPQ & AQIPA'S
2025 CONVENTION**

"ENSEMBLE POUR MIEUX RÉADAPTER ET APPAREILLER"

**OCTOBER 25 & 26, 2025
LÉVIS CENTRE DES CONGRÈS**

WELCOME

We are pleased to invite you to the congress of the **Association des Orthésistes et des Prothésistes du Québec (AOPQ)** and the **Association québécoise des intervenants auprès des personnes amputées (AQIPA)**. As tradition dictates, the theme of the congress will be:

ENSEMBLE POUR MIEUX RÉADAPTER ET APPAREILLER

The word "**ENSEMBLE-TOGETHER**" thus has a very broad meaning, specifically calling on professionals to affirm their essential role as colleagues in patient rehabilitation.

The **AOPQ & AQIPA** congress brings together all professionals in rehabilitation and orthopedic brace, as well as managers and owners. It promotes the sharing of knowledge and information on equipment and rehabilitation. The congress attracts many professionals in the field, making it an excellent opportunity to gain recognition. By participating, you will have the opportunity to meet key players and leaders in the field, and to expand your network of contacts.

The **AOPQ** aims to be the spokesperson for the profession and for the "technologue en orthèses, en prothèses et en soins orthopédiques". The role of the **AOPQ** is to promote the socio-economic interests and well-being of its members.

The **AQIPA** aims to be a group of all health network professionals and orthotics-prosthetics laboratories working with people who have undergone an amputation.

The **AOPQ & AQIPA**, and the organizing committee wish you an enjoyable, educational, and above all, an event that meets your expectations!

Jacinte Bleau, T.P.

Thank you for attending!
